

RYA Marine Radio Licence Assessments are held most Thursdays at North Staffs Sailing Club, Stanley Reservoir, Puddy Lane, Stanley, Stoke-on-Trent, ST9 9LS. If you require an Assessment you need to book via our Contact form [here](#) so we can agree the date & time.

Conduct of the assessment:

Prior to the exam you will be allowed approx. 30 min to familiarise yourself with the controls, menus and functions of Simrad RD68 radios we will be using during the session. You will be provided with handbooks along with a 'Quick start' guide for the Radios and may have any books, training material you require with you at this time. All these will be removed prior to the practical exam starting.

Practical assessment:

This session will last 30 minutes per candidate and you will have access to a dedicated training radio for the duration of the Assessment.

Theory assessment paper:

The written paper has a time limit of 30 minutes. Additional time may be allowed for those who have reading problems such as those with dyslexia. The MCA guidance is to allow 8 minutes for this length of exam. The written paper is a 'closed book' exam.

If you have completed your RYA SRC Radio course On-line and need an Assessment then please contact us using the link below.
